

The United States of America

Interim Conveyance

F-19148-31

This interim conveyance is issued by the UNITED STATES, Department of the Interior, Bureau of Land Management, 222 West Seventh Avenue, #13, Anchorage, Alaska 99513-7504, as GRANTOR, to the Arctic Slope Regional Corporation, as GRANTEE, for lands in the Barrow Recording District.

WHEREAS

Arctic Slope Regional Corporation

is entitled to a conveyance pursuant to Secs. 14(e) and 22(j) of the Alaska Native Claims Settlement Act of December 18, 1971, as amended, 43 U.S.C. §§ 1613(e), 1621(j), of the surface and subsurface estates in the following-described lands:

Umiat Meridian, Alaska

T. 11 S., R. 16 W.,
Secs. 17 to 20, inclusive.

Containing approximately 2,516 acres.

NOW KNOW YE, that there is, therefore, granted by the UNITED STATES OF AMERICA, unto the above-named corporation the surface and subsurface estates in the lands above described; TO HAVE AND TO HOLD the said lands with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said corporation, its successors and assigns, forever.

EXCEPTING AND RESERVING TO THE UNITED STATES from the lands so granted:

Pursuant to Sec. 17(b) of the Alaska Native Claims Settlement Act of December 18, 1971, 43 U.S.C. § 1616(b) (1976), and the administrative record, including easement memoranda, the following public easements, referenced by Easement Identification Number (EIN) on the easement maps, copies of which can be found in the Bureau of Land Management's public land records, are reserved to the United States. All easements are subject to applicable Federal, State, or municipal corporation regulation. The following is a listing of uses allowed for each type of easement. Any uses which are not specifically listed are prohibited.

25 Foot Trail - The uses allowed on a twenty-five (25) foot wide trail easement are: travel by foot, dogsleds, animals, snowmobiles, two- and three-wheeled vehicles, and small all-terrain vehicles (ATV's) (less than 3,000 lbs. Gross Vehicle Weight (GVW)).

60 Foot Road - The uses allowed on a sixty (60) foot wide road easement are: travel by foot, dogsleds, animals, snowmobiles, two- and three-wheeled vehicles, small and large all-terrain vehicles (ATV's), tracked vehicles, four-wheel-drive vehicles, automobiles, and trucks.

Research Site - The uses allowed on a site easement are: installation, use, maintenance and removal of scientific equipment, vehicle parking (e.g. all-terrain vehicles (ATV's), snowmobiles, cars, trucks), temporary camping, and loading or unloading. Temporary camping, loading or unloading shall be limited to 24 hours.

Site Easement (Airstrip) - The uses allowed on an airstrip site easement are: aircraft landing, vehicle parking (e.g., aircraft, boats, all-terrain vehicles (ATV's), snowmobiles, cars, trucks), temporary camping, and loading or unloading. Temporary camping, loading or unloading shall be limited to 24 hours.

- a. (EIN 64 C5) An airstrip site easement for an existing airstrip and taxiway. The airstrip extends approximately one thousand (1,000) feet into Secs. 18 and 19, T. 11 S., R. 16 W., Umiat Meridian. The easement extends two hundred fifty (250) feet each side of the centerline of the existing airstrip and includes an additional airspace easement two thousand (2,000) feet in length as a northerly

extension of the runway to allow safe approach and departure by aircraft from the airstrip. The taxiway is perpendicular to the runway, is fifty (50) feet each side of the centerline and extends 400 feet southwesterly to the administrative site easement EIN 65 C5. The uses allowed are those listed for an airstrip site.

- b. (EIN 65 C5) A two (2) acre site easement in Sec. 18, T. 11 S., R. 16 W., Umiat Meridian, for an administrative site, including a ramp for utilization of airstrip easement EIN 64 C5, an existing camp pad, and weather station and communication equipment, both on and off the camp pad. The site easement extends approximately one hundred twenty-five (125) feet along the southwest edge and about one hundred ten (110) feet along the southeast edge of the existing camp pad. The uses allowed are long term camping and storage and staging of transportation and scientific equipment and supplies. Use of this site is limited to the Federal government, its contractors, research partners, and assignees.
- c. (EIN 66 C5) A one-half (1/2) acre research site in Secs. 17 and 18, T. 11 S., R. 16 W., Umiat Meridian for a gauging station and support equipment. The uses allowed are those listed for a research site. Use of this site is limited to the Federal government, its contractors, research partners, and assignees.
- d. (EIN 67 C5) An easement sixty (60) feet in width for an existing road from the Ivotuk airstrip EIN 64 C5, through the administrative site EIN 65 C5, to the Lisburne Legacy well site EIN 68 C5. Use of this road is limited to the Federal government, its contractors, research partners, and assignees. The uses allowed are those listed for a sixty (60) foot road.
- e. (EIN 68 C5) A research site easement twenty-five (25) acres in size for the Lisburne Legacy well site in Sec. 17, T. 11 S., R. 16 W., Umiat Meridian. The uses allowed are those listed for a research site. Use of this site is limited to the Federal government, its contractors, research partners, and assignees.
- f. (EIN 69 C5, L) An easement twenty-five (25) feet in width for an existing access trail from Ivotuk airstrip EIN 64 C5, through the administrative site EIN 65 C5 then southeasterly to two datalogger sites that measure air and ground temperatures and soil moisture. The datalogger sites are twenty-five (25) foot by twenty-five (25) foot square areas centered on the existing equipment located at approximate a) N 68°28.823798' ; W 155°44.647346' and b) N 68°28.734042'; W 155°44.285591' which appear to be located in Sec. 19, T. 11 S., R. 16 W., Umiat Meridian. The uses allowed are those listed for a twenty-five foot trail and a research site. Use of this trail and these sites is limited to the Federal government, its contractors, research partners, and assignees.

THE GRANT OF THE ABOVE-DESCRIBED LANDS IS SUBJECT TO:

1. Issuance of a patent after approval and filing by the Bureau of Land Management of the official plat of survey confirming the boundary description and acreage of the lands hereinabove granted;
2. Valid existing rights therein, if any, including but not limited to those created by any lease, contract, permit, right-of-way, or easement, and the right of the lessee, contractee, permittee, or grantee to the complete enjoyment of all rights, privileges, and benefits thereby granted to him. Further, pursuant to Sec. 17(b) of the Alaska Native Claims Settlement Act of December 18, 1971 (ANCSA), 43 U.S.C. § 1616(b)(2) (1976), any valid existing right recognized by ANCSA shall continue to have whatever right of access as is now provided for under existing law; and
3. The following third-party interests created and identified by Bureau of Land Management as provided by Sec. 14(g) of the Alaska Native Claims Settlement Act of December 18, 1971:
 - a. A right-of-way (F-91886) for continuation of non-destructive data collection and the use, control, protection, maintenance and repair of existing research and support facilities, issued to the Bureau of Land Management; granted pursuant to Title V of the Federal Land Policy and management Act of 1976 (43 U.S.C. 1767), and shall remain in effect until September 3, 2016.
 - b. A permit (F-93850) for maintenance of a scientific research site at the Ivotuk Airstrip to collect meteorological weather data, issued to CH2MHill Polar Services; granted pursuant to Title III of the Federal Land Policy and management Act of 1976 (43 U.S.C. 1451), and remains in effect until May 18, 2013.
 - c. A right-of-way (F-92474) for temporary storage, science experiments and observations, and camp facilities issued to United States Army Corps of Engineers (USACE); granted pursuant to Title V of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1761) and shall remain in effect until December 31, 2015.
4. The Stipulation, Agreement and Consent to Entry of Partial Judgment, entered into on November 15, 1984, between the State of Alaska, Arctic Slope Regional Corporation, SOHIO Alaska Petroleum Company, the United States of America and William P. Clark, Secretary of the Interior, which settled case No. A78-069 CIV in the United States District Court for the District of Alaska.

2352

IN WITNESS WHEREOF, the undersigned authorized officer of the Bureau of Land Management has, in the name of the United States, set his hand and caused the seal of the Bureau to be hereunto affixed on this 6th day of January, 2011, in Anchorage, Alaska.

UNITED STATES OF AMERICA
